We are pleased to announce the debut of the new
HMX Detailed Order Confirmation

We have been extremely busy here at HMX during the last year developing X-PRO, HMX's custom electronic configuration software. One of the benefits that X-PRO provides is the ability to produce detailed Order Confirmations. These detailed Order Confirmations will allow you a quick review of your orders to ensure accuracy on even the most complicated orders. The new Order Confirmations even include hardware locations!

Hollow Metal Xpress will be at the DHI show in Nashville. Please stop by our booth #710 and be sure to ask us about the X Box 360.

We'll have samples of our products and manufacturing capabilities. Our staff will be able to answer your questions about all facets of hollow metal doors and frames.

In addition, **HMX is a sponsor for the Six Amigos party on Oct. 19th.** We'll have invitations at the booth to what has become one of the best events of the show. See you there!

Where's Delbert?

Facts & Clues

- Formed in Cretaceous period by blobs of molten rock.

- One of the scenic tours is a 10 day hike!
- Home of the Kingsnake - so named for his unfriendly habit of eating other snakes!
- First climbed by fishermen.
- Took over 6 months to find the wreckage of the last airplane crash.

We will be awarding a \$50 gift to the 1st person to correctly identify Delbert's location. Additionally, the 2nd and 3rd persons to correctly respond will each receive select and much sought after gifts. As if all of this wasn't enough, the 1st, 2nd and 3rd place winners each month, will be entered into a drawing, to be held at the end of the year, for a Special Grand Prize, to be announced.
